

March 2010 Student of the Month Spotlight - Jordyn Sagner

An interview with the charming Jordyn Sagner:

How old are you?

I am 14 - turning 15 in February.

What high school do you attend?

I am a Freshman at Garden Spot High School.

How long have you been dancing?

I have been dancing for 7 years total.

How long have you been at Class Act?

I have been at Class Act since it opened!

What is your favorite style of dance?

I like Hip-Hop because it is a lot of fun and nothing is strict - it just flows.

What do you do when not in dance class?

First answer is I do a lot of home-

work when I am not dancing. I am an Honor Student so the home-work keeps me busy.

I also enjoy reading, swimming, and hanging out with friends.

What is your favorite aspect of Class Act Dance Studio?

I love how all the teachers are so friendly. And being at Class Act truly feels like a family - we all love each other!

What are your plans after high school?

I am a Freshman so I don't have exact plans. I know I definitely want to go to college and although I am not sure what my major will be, I am interested in political science.

Any advice for younger Class Act dancers?

Give it a try! There are so many styles of dance you can try. Learning how to dance is definitely worth the experience!

Random question: On which TV show would you most like to make a guest appearance?

'Castle' on ABC - I love the detective work. I think being a detective would be fun; questioning people would be fun!
